Software Development Agreement

This Software Development Agreement (the "Agreement" or "Software Development Agreement") states the terms and conditions that govern the contractual agreement between **Valeriia Didushok** having his principal place of business at **Valeriia Didushok** (the "Developer"), and Guidiyam Guillaume BLANC having its principal place of business at **7 Route d'embreville 80770 BEAUCHAMPS, FRANCE** (the "Client") who agrees to be bound by this Agreement.

WHEREAS, the Client has conceptualized a solution **to fix issues concerning MYTRAVO Front REACT/REDUX PROJECT** (the "Software"), which is described in further detail on Exhibit A, and the Developer is a contractor with whom the Client has come to an agreement to fix the Software.

NOW, THEREFORE, In consideration of the mutual covenants and promises made by the parties to this Software Development Agreement, the Developer and the Client (individually, each a "Party" and collectively, the "Parties") covenant and agree as follows:

1. DEVELOPER'S DUTIES.

The Client hereby engages the Developer and the Developer hereby agrees to be engaged by the Client to develop the Software in accordance with the specifications attached hereto as Exhibit A (the "Specifications").

a. For a period of 60 days after delivery of the final product, the Developer shall provide the Client attention to answer any questions or assist solving any problems with regards to the operation of the Software free of charge for any assistance thereafter. The Developer agrees to respond to any reasonable request for assistance made by the Client regarding the Software within 48H of the request.

b. Except as expressly provided in this Software Development Agreement, the Client shall not be obligated under this Agreement to provide any other support or assistance to the Developer.

c. The Client may terminate this Software Development Agreement at any time upon material breach of the terms herein and failure to cure such a breach within 24 Hours notification of such a breach.

2. DELIVERY.

The Software shall function in accordance with the Specifications on or before the Delivery Date.

If the Software as delivered does not conform with the Specifications, the Client shall within 7 days of the Delivery Date notify the Developer in writing of the ways in which it does not conform with the Specifications. The Developer agrees that upon receiving such notice, it shall make reasonable efforts to correct any non-conformity.

3. COMPENSATION.

In consideration for the Service, the Client shall pay the Developer at the end of delivery for a **price of 40 USD/hour** for this project. Invoices will be provided for work completed by the developer once **all** is delivered and **all** functional refer to specifications.

4. INTELLECTUAL PROPERTY RIGHTS IN THE SOFTWARE.

The Parties acknowledge and agree that the Client will hold all "Intellectual Property Rights" in the Software including, but not limited to, copyright and trademark rights. The Developer agrees not to claim any such ownership in the Software's intellectual property at any time prior to or after the completion and delivery of the Software to the Client.

"Intellectual Property" means any and all intellectual property and tangible embodiments thereof, including without limitation inventions, discoveries, designs, specifications, developments, methods, modifications, improvements, processes, know-how, show-how, techniques, algorithms, databases, computer software and code (including software and firmware listings, assemblers, applets, compilers, source code, object code, net lists, design tools, user interfaces, application programming interfaces, protocols, formats, documentation, annotations, comments, data, data structures, databases, data collections, system build software and instructions), mask works, formulae, techniques, supplier and customer lists, trade secrets, graphics or images, text, audio or visual works, materials that document design or design processes, or that document research or testing, schematics, diagrams, product specifications and other works of authorship.

"Intellectual Property Rights" means, collectively, all rights in, to and under patents, trade secret rights, copyrights, trademarks, service marks, trade dress and similar rights of any type under the laws of any governmental authority, including without limitation, all applications and registrations relating to the foregoing.

5. CONFIDENTIALITY.

The Developer shall not disclose to any third party the business of the Client, details regarding the Software, including, without limitation any information regarding the Software's code, the Specifications, or the Client's business (the "Confidential Information"), (ii) make copies of any Confidential Information or any content based on the concepts contained within the Confidential Information for personal use or for distribution unless requested to do so by the Client, or (iii) use Confidential Information other than solely for the benefit of the Client.

6. DEVELOPER WARRANTIES.

The Developer represents and warrants to the Client the following:

- a. Development and delivery of the Software under this Agreement are not in violation of any other agreement that the Developer has with another party.
- b. The Software will not violate the intellectual property rights of any other party.
- c. For a period of 60 days after the Delivery Date, the Software shall operate according to the Specifications. If the Software malfunctions or in any way does not operate according to the Specifications within that time, then the Developer shall take any reasonably necessary steps to fix the issue and ensure the Software operates according to the Specifications.

7. INDEMNIFICATION.

The Developer agrees to indemnify, defend, and protect the Client from and against all lawsuits and costs of every kind pertaining to the software including reasonable legal fees due to the Developer's infringement of the intellectual rights of any third party.

8. NO MODIFICATION UNLESS IN WRITING.

No modification of this Agreement shall be valid unless in writing and agreed upon by both Parties.

9. APPLICABLE LAW.

This Software Development Agreement and the interpretation of its terms shall be governed by and construed in accordance with the laws of FRANCE and subject to the exclusive jurisdiction of courts located in FRANCE.

IN WITNESS WHEREOF, each of the Parties has executed this Software Development Agreement, both Parties by its duly authorized officer, as of the day and year set forth below.
